

Divine Gods and their Integration with the Divine Goddesses

by Erik Pelham

30 & 31 July 2022

The Energies and Beings of Heaven are coming to us like never before, and we are in the biggest time of transformation that humanity has ever experienced. In this process the Divine Gods and Divine Goddesses are helping us with their Elixirs!

In this course we explore the integration of the Gods and Goddesses via their elixirs and the very special gifts they bring us, and the amazing potential we each have to bring heaven to earth and create a new reality.

Divine Gods and their Integration with the Divine Goddesses Course

This is a brand new, very exciting course which brings together the Goddess and God Elixirs at the same time, and explores the incredible relationships between the Divine male and female Deities. We work practically to explore the exact meeting point of these Divine Beings and really feel and experience their very special partnership energies. In this course, we will:

- Learn about the Divine Plan, the structure and functioning of Creation, why evil exists and how this is related to Free Will and the Great Law of Love
- Learn about the 7 Gods and how each God integrates with their Goddess partner
- Experience the special energies of the Divine Planes together with the God and Goddess energies.
- Explore the MAGIC when the Gods and the Goddesses come together
- Learn how to make the most out of God and Goddess Elixirs and how we can transform our lives and the lives of others with them.
- Explore the great potential and practical benefits of using the Goddess and God Elixirs together

***Study Group Session**

We also offer 2 x 2-hours follow-up Study Group sessions facilitated by eriksences New Zealand after the course to provide students opportunities to review the course materials, to have more practical experiences and to share experiences with each other. Dates of Study Group sessions to be arranged with participating students.

Special offer to New Zealand Students only until 31st August 2022
